Handy reminders when you consign:

- Test all electrical items and include batteries if needed.
- Consignment hours are 9:30-11:45am by walk-in appointment only. We open our doors at 9:30am. Consignments may close prior to 11:45 due to lack of volunteer staff or an unusually high amount of consignors.
- Acceptance of any item is at the Thrift Shop Discretion. You might consider bringing extra items in case something is refused or not being taken that week.
- We ask that you DO NOT bring items into the consignment room that are on our NOT TAKING List for the week. This list is available through email (please sign up if you would like to receive this), our Facebook page and on the chalk board upon entering the store.
- The Thrift Shop works hard to protect your consigned items, but it is **not responsible** for theft or damage to your items. You consign personal property at your own risk.
- Please bring your own bags/boxes/packing material if are withdrawing your own items. We will not package them for you.
